

## Strattera Mood Disorder

---

1	<b>what is strattera 60 mg</b>	I find that it makes it hard to dispense a reasonable amount, and I end up with blobs of concealer when I only wanted a little because the brush hides whether or not anything is coming out at first
2	strattera mechanism of action	
3	strattera generics	But anyway what was my point, oh CPhT is the most worthless designation in the world
